

What to do next:

Students are to choose their preferred scholarship option and immediately gather all the documents required (See below). The first batch of students are expected to commence their studies in September 2012, while those who may not be able to meet up would commence in December 2012. However all students who intend to continue with the process should send their application documents (listed below) to KDO inspire Nigeria (www.kdoinspire.com) for onward submission to FAI Malaysia

Once the documents are submitted, FAI would be notified of your intention to continue the process. Submission of documents should be done between the **15th of January – 15th of February 2012**.

NOTE: Please confirm if your choice of course is offered by your choice school by checking the schools official sites OR contact KDO Inspire - Call 081 390 12617 OR 09 876 6623 for further details
